on Jewish collectors were under extraordinary pressure from German official and unofficial sources to surrender their priceless collections Collectors reluctantly agreed to one sided sales of masterpieces at ludicrously low prices in exchange for

a precious exit permit for themselves or a member of their family This book traces the dispersal of these collections and follow the fate of the collectors Inevitably their collections were confiscated by German officials Jacques Goudstikker sold by Nazi party member art dealers Cassirer or seized for state collections Bloch Bauer Following the war Allied officials made little effort to retrieve these paintings concentrating their resources on art removed from museums churches and palaces But the collector s heirs continued to pursue the return of their patrimony and over the past twenty years have won a number of key court decisions in Europe and the US leading to the restitution of some of the lost art For every victory such as the return to the Bloch Bauer heirs of their family s confiscated Klimts are defeats and obstinate stonewalling by museums and collectors who insist that the art was legally acquired in good faith *Alice Herz-Sommer "Ein Garten Eden inmitten der Hölle"* Reinhard Piechocki, Melissa Müller, 2011 The Women Who Flew for Hitler Clare Mulley, 2017-06-29 A riveting double biography of Nazi Germany s most highly decorated women test pilots Hitler s personal Valkyries Hanna Reitsch and Melitta von Stauffenberg were talented courageous and strikingly attractive women who fought convention to make their names in the male dominated field of flight in 1930s Germany With the war both became pioneering test pilots and both were awarded the Iron Cross for service to the Third Reich But they could not have been more different and neither woman had a good word to say for the other Hanna was middle class vivacious and distinctly Aryan while the darker more self effacing Melitta came from an aristocratic Prussian family Both were driven by deeply held convictions about honour and patriotism but ultimately while Hanna tried to save Hitler s life begging him to let her fly him to safety in April 1945 Melitta covertly supported the most famous attempt to assassinate the F hrer Their interwoven lives provide a vivid insight into Nazi Germany and its attitudes to women class and race Acclaimed biographer Clare Mulley gets under the skin of these two distinctive and unconventional women giving a full and as yet largely unknown account of their contrasting yet strangely parallel lives against a changing backdrop of the 1936 Olympics the Eastern Front the Berlin Air Club and Hitler s bunker Told with great narrative flair The Women Who Flew for Hitler is an extraordinary true story with all the excitement and colour of the best fiction Hitler's Last Witness Rochus Misch, 2014-08-30 This memoir of Hitler s personal bodyguard presents convincing first person testimony of the dictator s final desperate months days and hours Huffington Post After being seriously wounded in the 1939 Polish campaign Rochus Misch was invited to join Hitler s SS bodyguard There he served until the war s end as Hitler s bodyguard courier orderly and finally as Chief of Communications On the Berghoff terrace he watched Eva Braun organize parties observed Heinrich Himmler and Albert Speer and monitored telephone conversations from Berlin to the East Prussian Headquarters on July 20 1944 after the attempt on Hitler s life As the Allied forces closed in Misch was drawn into the F hrerbunker with the last of the faithful He remained in charge of the bunker switchboard as his duty required even after Hitler committed suicide Misch knew Hitler the private man His memoirs offer an intimate view of life in close attendance to Hitler and of the endless hours deep inside the bunker They also provide new

insights into military events such as Hitler's initial feeling that the 6th Army should pull out of Stalingrad Shortly before he died Misch wrote a new introduction for this English language edition **Hitler's Last Secretary** Traudl Junge,2011-09-01 In 1942 Germany Traudl Junge was a young woman with dreams of becoming a ballerina when she was offered the chance of a lifetime At the age of twenty two she became private secretary to Adolf Hitler and served him for two and a half years right up to the bitter end Junge observed the intimate workings of Hitler's administration she typed correspondence and speeches including Hitler's public and private last will and testament she ate her meals and spent evenings with him and she was close enough to hear the bomb that was intended to assassinate Hitler in the Wolf's Lair close enough to smell the bitter almond odor of Eva Braun's cyanide pill In her intimate detailed memoir Junge invites readers to experience day to day life with the most horrible dictator of the twentieth century *Hitler's Last Day* Richard Dargie,2018-11-15 Have you ever wondered what was going on in Adolf Hitler's mind during his final hours in the Führerbunker What were his thoughts as radio contact with the outside world grew faint Soviet explosions became louder and louder and he began to feel his unassailable power ebbing away Did Hitler repent of his crimes against humanity or was he obsessed with thoughts of his imminent defeat and suicide With an inimitable cast of doomed characters from Hitler himself to his mistress Eva Braun mass murderer Heinrich Himmler cunning chief of Nazi propaganda Joseph Goebbels and the manipulative Martin Bormann this book captures all the drama and dread in the bunker as the Red Army remorselessly advanced into the heart of Berlin and Hitler and his Thousand Year Reich vanished into history *The Death of Hitler* Jean-Christophe Brisard,Lana Parshina,2018-09-04 After two years of nonstop negotiations with the Russian authorities Jean Christophe Brisard and Lana Parshina were granted access to secret files detailing the Soviets incredible hunt to recover Hitler's body the layout of the bunker plans for escaping eyewitness accounts of the Führer's final days and human remains a bit of skull with traces of the lethal bullet and a fragment of jaw bone For the first time the skull teeth and other elements were analysed by a medical examiner with cutting edge forensics equipment The authors use these never before seen documents and research to reconstruct the events in fascinating new detail *Eva Braun* Heike B. Berthon, Joanna Potts, 2007-09-07 With innovative style and thorough scholarship Warlords tells the story of World War II through the eyes and minds of its four great leaders Adolf Hitler Franklin Roosevelt Winston Churchill and Joseph Stalin While their nations battled in the field these warlords of the twentieth century waged a private war of the mind From Whitehall and Washington to the Wolf s Lair and the Kremlin Warlords documents their psychological battles and the attempts to outthink and outfight one another Like a cinematic thriller rapidly cutting from one man to the next the narrative reveals each leader as they face history s greatest conflict and each other

Futurity Amir Eshel, 2013-01-14 When looking at how trauma is represented in literature and the arts we tend to focus on the weight of the past In this book Amir Eshel suggests that this retrospective gaze has trapped us in a search for reason in the madness of the twentieth century s catastrophes at the expense of literature s prospective vision Considering several key literary works Eshel argues in Futurity that by grappling with watershed events of modernity these works display a future centric engagement with the past that opens up the present to new political cultural and ethical possibilities what he calls futurity Bringing together postwar German Israeli and Anglo American literature Eshel traces a shared trajectory of futurity in world literature He begins by examining German works of fiction and the debates they spurred over the future character of Germany s public sphere Turning to literary works by Jewish Israeli writers as they revisit Israel s political birth he shows how these stories inspired a powerful reconsideration of Israel s identity Eshel then discusses post 1989 literature from Ian McEwan s Black Dogs to J M Coetzee s Diary of a Bad Year revealing how these books turn to events like World War II and the Iraq War not simply to make sense of the past but to contemplate the political and intellectual horizon that emerged after 1989 Bringing to light how reflections on the past create tools for the future Futurity reminds us of the numerous possibilities literature holds for grappling with the challenges of both today and tomorrow

Hitler s Death Luke Daly-Groves, 2019-03-21 Did Hitler shoot himself in the Führerbunker or did he slip past the Soviets and escape to South America Countless documentaries newspaper articles and internet pages written by conspiracy theorists have led the ongoing debate surrounding Hitler s last days Historians have not yet managed to make a serious response Until now This book is the first attempt by an academic to return to the evidence of Hitler s suicide in order to scrutinise the most recent arguments of conspiracy theorists using scientific methods Through analysis of recently declassified MI5 files previously unpublished sketches of Hitler s bunker personal accounts of intelligence officers along with stories of shoot outs plunder and secret agents this scrupulously researched book takes on the doubters to tell the full story of how Hitler died
